FOR IMMEDIATE RELEASE

2012 GRAMMY Nominated Children's CD "All About Bullies...Big and Small" - 100% Nonprofit Children's CD Benefitting The National Center for Bullying Prevention

WARMINSTER, Dec. 1, 2011 - A team of five producers from Philadelphia, PA were honored last night (for the second year in a row) with a GRAMMY nomination in the category of Best Children's Album. The team edged out of over 125 other children's albums, as the nominees were narrowed down to just five. The album entitled "All About Bullies...Big and Small" is a 37 track compilation CD featuring national and international recording artists, contributing poems, spoken word and a variety of songs. This CD is one-of-a-kind because not only does it give advice to those children that are being bullied, but it gives advice to the bully, even going so far as to helping to find the root cause of bullying, yet in a fun and positive way.

This CD was done on a fully volunteer basis and 100% of the proceeds from the sale of the CD go to the National Center for Bullying Prevention (PACER - pacerkidsagainstabullying.org). This is a nonprofit organization which assists schools in drawing awareness to the bullying epidemic, while helping children cope with the stresses of being victimized.

This is the second Grammy Nominated CD to come out in as many years, produced by Warminster's own East Coast Recording Company and Cool Beans Music. The volunteer team of producers consists of Steve Pullara, Jim Cravero, Pat Robinson, Kevin Mackie and Gloria Domina. The CD's roster of artists run the gamut from members of Bruce Springsteen's E-Street Band, to a member of Philadelphia's own Hooters, to international recording artists, and coming full circle rounding it out with several local Philadelphia radio personalities. Some of these artists featured on this CD are: Steve Van Zandt, Eric Bazilian, Heidi Swedberg, Peter Alsop, Blue October, May Pang, Vini MADDOG Lopez, Keith Grimwood, Barry Louis Polisar, Frances England, Steve Pullara and His Cool Beans Band, Marla Lewis, John Flynn, Sugar Free Allstars & Secret Agent 23 Skidoo, Debbie and Friends, The Battersby Duo, Oran Etkin, Eric Ode, Judy Pancoast, Dave Kinnoin, Helen Bruner & Terry Jones, Giorgio Onorato Aquilani, Jonathan Sprout, Pat Robinson, Ken Cowle, Les Julian, Bill Pere, Miss Amy, Bob Miles, Sunny Saucedo, Whitney Peyton with Only Human, Grover Silcox, Debbi Calton, Jim Cravero, Cyndy Drue, Michael Brant DeMaria, Nancy Schimmel, Skip Denenberg, Paula Lizzi and many, many more...
